Welcome to the 2020 Club Group Toy Catalogue

The Club Group is the leading group of distributors in the UK and Ireland for toys, stationery and seasonal goods.

In this catalogue you will find children's favourite characters, the latest playground crazes, plus leading brands - all at competitive prices so that you can maximise your sales and profits day in, day out.

Below you will see many of the favourite characters - some are old-time favourites and others are new ones added to the range for 2020.

New characters and ranges are added throughout the year, so please ask your representative for details of the latest exciting additions.

Look out for the "As Seen on TV" symbol denoting products that are either advertised on TV or feature characters from a TV series.

We constantly strive to bring you new and exciting products for the year ahead; items that will boost your sales and profits.

Please ask about our Planned Displays -

an excellent way of maximising sales and profitability from the minimum of floor space. We have built up considerable experience creating very effective toy planned displays and can help you tailor a display to suit your premises. We make sure we take into account your location, customer profile and the space available in store when providing your ideal toy selling solution.

Using this catalogue

Use the details alongside each product to get the information you require, making it easy to place an order.

Important notes regarding 'CE' marks

CE Where applicable, all the items featured in this trade only catalogue carry the European Control Safety Mark (CE Mark). This mark gives details of the manufacturer or importer of the item and any age or small parts warning relevant to each individual product. Occasionally it is impractical to mark products individually e.g. small rings, jet balls etc. Whenever a product is not individually marked, the outer packaging carries the CE Mark. In order to comply with the current regulations, if an item carries the CE mark, you must ensure that this mark is clearly visible at the point of sale. Failure to do so may result in prosecution.

Information

Retail prices in this catalogue are calculated to include VAT at the current rate at time of publication.

Any variation in the VAT rate will affect retail prices shown.

Whilst every effort is made to ensure the continuity of price and profit structure, we reserve the right to make any alterations that market forces or other necessity may require.

The retail prices shown in this catalogue are for guidance only and cost prices are clearly shown on our invoices.

Sizes and any age indications given are approximate and are for guidance only.

For further information please refer to our standard terms and conditions of trading, available on request.

Products and designs may differ from those illustrated.
